Dear Mr Dony

Re: *Mohamed Al Fayed & Others -v- The Commissioner of Police of the Metropolis & Others*

It was good to see you on the day of our triumph. I am pleased to see that there was some good media reporting of the result.

I do formally acknowledge and thank you for the assistance you have given the Commissioner and other Defendants in this litigation. Although it was not necessary to call you as a witness, the material that you had provided to the Operation Jagan team, and which formed part of our evidence in this litigation, was extremely helpful.

We await the outcome of the hearing on costs in October, but the final outcome is likely to be very expensive for Mr Al Fayed.

Yours sincerely

Andrew Falk
